SUMMARY

Machine Learning engineer having an overall experience of 4 years. Acquired very good knowledge of retail domain as well as possess a good competence in Python, SQL and Machine learning algorithms. Seeking opportunities in data science to further enhance my skills.

EDUCATION

The University of Leicester, Leicester, The UK (Sep 2022 – Aug 2023)

MSc in Data Analysis for Business Intelligence

Modules – Fundamentals of Data Science, Data Mining and Neural Networks, Analysis of Algorithms, Generalized Linear Models and Data Analytics for eSports

Anna University - Sri Sairam Engineering College, Chennai, India (Jul 2014 - May 2018)

B.E Electrical and Electronics Engineering – CGPA 7.89/10 (First Class)

WORK EXPERIENCE

Tata Consultancy Services, Chennai, India – ML Engineer (Mar 2020 – Aug 2022)

- Worked as Machine Learning Engineer in Optumera pricing and promotion optimization using azure databricks.
- Coded using Python, Pyspark & SQL
- Analyzed various Time Series algorithms like Sarimax, Sarima, STL, FBprophet, Kats, Stldecompose for forecasting demand
- Conducted different types of regression analysis for calculation of unit price
- Imputed the final results based on different clustering approaches for the unpredictable scenarios
- Optimization of final results

Tata Consultancy Services, Chennai, India – .NET Developer (Jun 2018 – Feb 2020)

- Worked in a .NET Support project for a German retailer's internal web application.
- Predominantly worked on support tickets on MS SQL.
- Very rarely involved on front end tickets like HTML, CSS & JS
- Resolving bugs using C# .NET coding in the application layer

PROJECTS

- Tic Tac Toe (Reinforcement Learning & minimax algorithm)
- Stock market data analysis using Pyspark and Python.

TECHNICAL SKILLS

- Programming languages - Python - Machine Learning and Deep Learning frameworks
- Frontend - HTML, CSS, Javascript
- Backend – SQL, .NET

ACCOMPLISHMENTS

- Awarded best outgoing student in college.
- Service commitment award in TCS
- Top performer of month award in TCS
